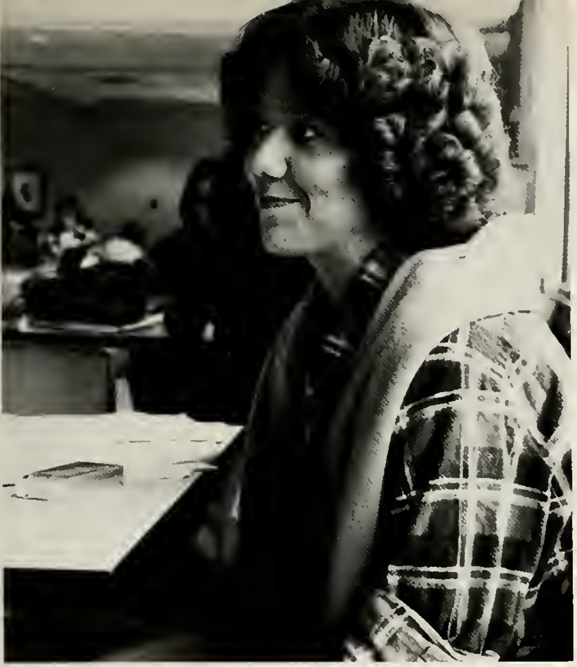
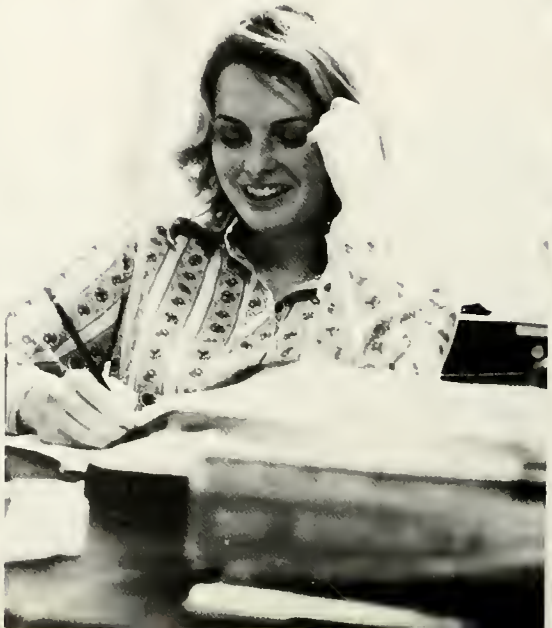
K.C.U.

The Kennesaw College Union was officially recognized in the Winter Quarter of 1977. The Union is an organization whose purpose is to sponsor and coordinate through its committees, out-of-class programming for the campus. More specifically the Union strives to sponsor programs which "contribute to the educational, cultural, social and recreational development of the students, faculty, alumni, and the service community." In addition, the Union Board acts in an advisory capacity regarding the day-to-day operations of the James V. Carmichael Student Center.



Through the efforts of the members and chairpersons of its various standing committees, the Union sponsors throughout the year a well-rounded program including popular and classical music concerts, coffeehouses, movies, guest lecturers covering a variety of topics, table games competitions, instruction and activities in such outdoor endeavours as canoeing, backpacking, and camping, and more. The Union Board of 1977-78 was composed of the following students and faculty: Margie Fryman (chairperson), Robert Dudley (vice-chairperson), Vicki Rusk (secretary-treasurer), Steve Sosebee (representative-at-large), Linda Slater (representative-at-large), Sam Gamble (chairperson, Entertainment Committee), Jean Hollingsworth (chairperson, Cinematic Arts Committee), Clemma Wilson (chairperson, Chautauqua Committee), Mike Hunnicutt (chairperson, Publicity and Public Relations), Ann Lucas (chairperson, Recreation Committee), Mr. J. B. Tate (faculty representative), Mr. Tom Keene (faculty representative), Mr. Frank F. Wilson (Coordinator of Student Activities), and Mr. Robert Eisenhardt (Director of Auxiliary Enterprises).

Montage



The 1978 Montage Staff began this year on a late note due to having only one returning member from the 1977 staff. We have tried to present our views of Kennesaw College in a way that the entire student body, faculty, and staff will enjoy. The Montage Staff would like to add special thanks to Dr. Morgan Stapleton, Frank Wilson, the Sentinel Staff, and Dave Pollock for all the help and encouragement they extended to each of us.

Writing for a publication is one of the most fascinating experiences in which a person may participate. However, the person who writes for a publication must also be able to walk the proverbial tight rope. He has to resist all pressures from advertisers, officials, ethnic groups, or any other source which has an effect on the circulation of his paper. The writer must also be able to give the facts exactly as they are, no matter what his bias may be. And as crowded as he will undoubtedly be by special interests, favor seekers, and others, he must keep himself independent of their pressures. Yes, a reporter's responsibility is a unique one: one of trust, honesty, and integrity. However, he gladly accepts these responsibilities in that it is these things which make up the craft to which he is devoted.

Socc & Buskin

The purpose of the Socc & Buskin Drama Club is to promote enjoyment and experience of Kennesaw's students in the various fields of theatrical art. In keeping with this ideology the club has produced several Reader's Theatre productions, a Halloween Make-Up Clinic, the drama production ''Bald Soprano,'' and numerous other activities.

Kennesaw Christian Fellowship

Kennesaw Christian Fellowship sponsors activities open to all students. The activities are designed to nurture and develop spiritual life and aid students in relating their faith to their academic work and daily lives. K.C.F. also helps students in the concrete expression of their faith by participating in a Christian community.

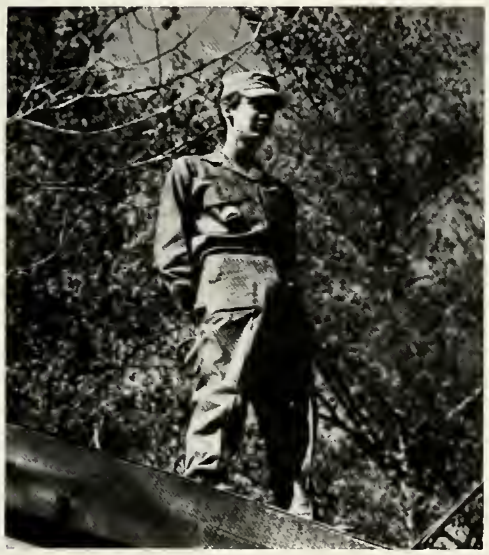
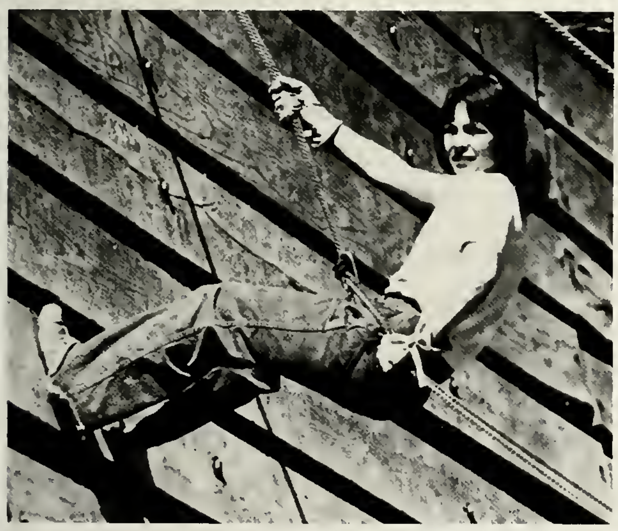
Army ROTC

The Army Reserve Officer Training Corps was established here at Kennesaw as a satellite program of Georgia Tech. Due to the increasing enrollment such activities as rappelling, a daily physical fitness program, sky diving and others have allowed students to grasp the true concept of what a military career encompasses.





K. C. Chorale

Kennesaw Chorale was organized as an attempt to gather all students who are inclined to the vocal aspect of music. The Chorale performs for civic groups, as well as for the college.

Kennesaw Stage Band

The Kennesaw College Stage Band was established to provide those students with musical talent an opportunity to participate in a band. The Stage Band not only provides entertainment for the college student, but also for the community as well.

S.N.A.K. has the responsibility for coordinating and publicizing the Quarterly Blood Drives for the Red Cross. They are active in the community through blood pressure screening programs. Most of their meetings are characterized by movies, lectures, or demonstrations concerning things of interest to future nurses. Their primary responsibility is coordinating the pinning ceremony for the graduating nursing students.

KJC Day 1977

Each year a special day is put aside for all students to participate in a mutual sharing of fun with faculty and administration.

K.J.C. Day 1977 proved to be an excellent example of this concept with such activities as tug of war matches (which proved to be more hilarious for the spectators than the participants), volleyball matches, sliding and searching contests, and of course the main event — the crowning of Mr. Legs.

Congratulations to the Flag Football Champs — BUCS

Mike Laney, Doug Hollywood Hanson, Harry Campagna, Chris Fuss, Mike Land, Chuck Chambers, Kevin Walls and Chip Bright.

Winter Intramurals

Spirit, hustle and determination are the same forces that drive both women and men in basketball. It's all worth it.

It all starts with a tip, a shot, a run, a block, and then we come to a rest. A game many enjoy: Men's basketball.

individuals
we have
opened
